

## REFEREE GOOD SPORTSMANSHIP CHARTER

- ❖ I show respect towards other referees, players, coaches and spectators. In this regard, I do not respond to provocations.
- ❖ I support my fellow referees at all times, whether they are present or not, even when I am a regular spectator.
- ❖ I present myself at games in adequate dress and in a physical condition appropriate for the level of soccer for which I am refereeing.
- ❖ I show impartiality in my decisions, and in order to avoid any appearance to the contrary, I keep a certain distance from responsible persons and from players from both teams.
- ❖ I support the good sportsmanship charter and I punish as needed the actions and behaviour contrary to its principles and if necessary, I write a complete and detailed report of the reproachable actions and behaviour.
- ❖ I accept the fact that I will make mistakes and I do not let this affect my performance, my professionalism or the control over my emotions.
- ❖ I accept constructive « criticism » from my supervisors (mentors) so that I may improve.
